[Redacted]

I am reviewing and will get back to you. We will not need all of the equipment listed

Thanks
Chris

Subject: Shiloh Church Road Site Mobilization

Chris,
Good morning.
Attached is a draft mobilization plan for personnel, equipment, material and subcontracted services. I put this together after talking with [Redacted] understanding we want to keep a low profile onsite. There are some items (TBD) that you need to let me know your thoughts on and also please advise if we left anything out. The plan is for the FCA and I to mobe down on 7/8 and meet you on 7/9 onsite.

ER would like to send out RFQ's for rental equipment and other services prior to mobe after knowing your thoughts. Would you like to review the RFQ's?

I have also talked to waste brokers and company about disposal and I am just waiting to hear from them and will forward you their reply. To be continued.

I do have some questions for you

1. Is water available onsite?
2. Will we need security?

Please let me know if you have any questions, comments or direction.
Thanks and I look forward to hearing from you.
